Safer Neighbourhood Scheme – run by South Yorkshire Police

Karl PCSO mentioned pop up police station with the aim of crime prevention, building trust and information gathering.

Karl reported:

- there is success in other areas (Shiregreen)
- ABC is a behavioural contract that is initiated by the police
- Drug Raids in the area - explained issues of cultivation. Sentencing is stronger if cultivating for sale
- The team consists of police officers and PCSO's. UG asked how they can report info to the police, Karl confirmed to ring 111 to give info or use pop up police station. BH worried re if this new initiative is short term intervention. PCSO Karl – states understands this and is trying to educate from schools upwards. Karl feels this formula works.

What is planned

- Pop up police station
- Saturating area with police presence
- Bike enforcement
- Identify cars in the area which are untaxed and uninsured
- Local schools -Enforce issues of parking at zig zags. There has been a few near misses so they are pushing for council/police support
- First “pop up” session is on 16 May

- Explained they are pushing for more info/signage for outside schools
- Mick – Bin’s dog waste installed in Foxhill park (rec)

PCSO – community links

- victims of crime (support)
- BD asked re response time 999 call how long should it be - KD/CLT – no response time – difficult due to staffing issues
- KD explained plain clothes in area to help

BH – police respected in past but now less so she feels. BH asked if in a problem child situation, are police respected when visited? ML (TARA) feels respect culture has been lost. Karl explained the effects of schooling and trying to work with families/schools to regain respect

Other items

MN gone through minutes – nothing to report other than

- Telephone Line – 4 minutes early to on call this will be rectified
- Cholesterol group = CLT - meeting with other nurses from other practice
- CLT – Art – booklets handed out (Open Art)

Nursing Students

We have 2 new ones starting in May and June

Coding

Training up shared worker between neighbourhood practices.

Suggestion

TL has discussed with Mandy suggestions for membership of HLG group - suggested Facebook but many worried about poaching patients.

Pneumovax

We have temporarily suspended giving to over 65 and we are prioritising chronic health conditions due to shortage in supply

Repeat prescriptions

A flier has been done - UG feels wording has improved. MN will discuss with doctors at meeting if could be done for reauthorising repeat prescriptions

BD – controlled drugs, expressed concerned can't order repeat prescription – CLT explained no other way due to safety issues

Patient survey

This is on the front desk for completion by patients and on the website

DNA Man

City wide DNA Man is up. MN feels DNA is improving but also helps that we have now a text service. The text number to cancel is 07738 730205. BH asked if we could work out how much it costs if folks DNA. MN confirmed this would be a labour intensive exercise
